

What's Fun in Grade One

The Week of January 6, 2019

Email: abarry@hastings.k12.mn.us Website: <http://barryfirstgrade.weebly.com/>

High Frequency Words

I am sending home the next set of yellow high frequency words. Please practice these with your child.

Next week we will focus on:

help, through, much, before, line

Reminders

**January 17 &
January 20**

No School

District staff
development

February 14

No School

development

February 17

No School

President's Day

A Peek at the Week of Jan. 13

Math: adding and subtracting on a number line

Reading: determining if information learned is from text or photographs in nonfiction

Grammar: imperative sentences

Writing: writing about animals

Science: habitats

Toys

Please make sure your child is leaving all toys (including football and Pokemon cards at home). These toys become a distraction during our learning day and can easily become misplaced.
