## Walk to Farmers Market

We have been learning about neighborhoods. On Tuesday, Oct. 8 we will take a short walk to the Farmers Market to purchase pumpkins for our pumpkin exploration unit in science. Your child does NOT need to bring any money. In August you signed for your child to have permission to go on walking field trips. If you would rather your child not go or have any questions please let me know. We will be gone from 9:20-9:40 a.m.
